Delhi Police to raise the intelligence gathering system and also increased the mobile police vans to gather information and also to be available for the public for immediate action. In addition to the cell that we have established, a special cell for getting intelligence, we are also associating the agencies of the Central Government to provide them more information, information that we get from neighbouring States, information that we get independently, independent of the Delhi Administration. There is a special coordinating cell in the Ministry of Home Affairs which coordinates not only the information in Delhi but the information which is available from the neighbouring States.

About the number of vehicles, as I mentioned, from 100 to 165, the number of motor vehicles has recently been raised. The strength of the Delhi Police has been tremendously enhanced. It has been raised by 6,500 men. The recruitment has just now been completed. The training is under way.

Pak President's statement on Kashmir

*131. SHRI RAMSINGHBHAI PATALIYABHAI RATHVAKOLI:†
SHRI D. B. CHANDRE GOWDA:

Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether it is a fact that Pakistan President stated recently that Kashmir was an integral part of Pakistan;

(b) if so, what are the details in this regard and Government's reaction thereto;

(c) whether India propose to take up the matter in the United Nations; and

(d) if so, what are the details thereof and if not, what are the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI K. NATWAR SINGH): (a) and (b) Government are aware that during his recent visit to Pakistan-occupied Kashmir (POK), the Pakistani President asserted that Kashmir was an integral part of Pakistan. Our spokesman categorically refuted the assertion and reiterated our well known position that Jammu and Kashmir is an integral part of India and that the only issue that remains is that of the vacation of Pakistan's illegal occupation of POK.

(c) and (d) We are firmly of the view that all matters between the two countries should be resolved bilaterally and in accordance with the Simla Agreement.

श्री रामसिंहभाई पातलीयाभाई राठवा। उपसभापति महोदया, पाकिस्तान भारत के साथ दोस्ती का हाथ बढ़ाना चाहता है और दूसरी ओर यह भी बात करना चाहता है कि कश्मीर हमारा है। उसके साथ साथ पाकिस्तान आतंकवादियों को ट्रेनिंग देकर भारत में भेजने और भेजने के बाद आतंकवाद फैलाने का काम भी करता है। इसके अलावा भारत के साथ समझौता भी करना चाहता है तो विदेश मंत्री जी यह बताना चाहेंगे कि भारत सरकार की ओर से पाकिस्तान के बारे में इस विषय में क्या बताया गया है?

श्री के० नटवर सिंह। अब मैडम, मैं जरा शशोपंज में पड़ गया हूं कि मेरे मित्र ने प्रश्न पूछा है कि अपने ख्यालात का इजहार किया है। जहां तक उनके ख्यालात का इजहार है उससे तो मैं सहमत हूं और जो उन्होंने सवाल पूछा है, उसका जवाब यह है कि हम भी ताज्जुब करते हैं कि एक तरफ तो पाकिस्तान के लीडर यह ऐलान करते हैं कि

†The question was actually asked on the floor of the House by Shri Ramsinghbhai Pataliyabhai Rathvakoli.

यह हिंदुस्तान से दोस्ताना रिश्ता चाहते हैं और दूसरी तरफ ऐसे बयान करते हैं जिससे यह साबित होता है कि उनके ख्यालात दोस्ताना के तरफ नहीं है, मगर किसी और तरफ हैं

मैं ज्यादा तो और नहीं कहूंगा, मगर उनको यह बार-बार कह दिया गया है कि अगर आप ऐसे ऐलान करेंगे तो जाहिर है कि इससे आपके और हमारे दो-तरफा रिश्तों में फर्क होगा ।

SHRI DHARAM CHANDER PRASHANT: In his reply to the question the hon. Minister has said the only issue that remains is the vacation of that part of Kashmir which is illegally occupied by Pakistan. The other reply is that the decision will be taken through bilateral relations under the Simla Agreement. If a decision is to be taken under the Simla Agreement, then what is the use of having UNO observers there and why is our Kashmih issue still before the United Nations? I want to ask whether the Government is prepared or ready to withdraw the Kashmir issue from the United Nations and withdraw the UNO observers who are still there for the past 40 years.

SHRI K. NATWAR SINGH: Although the question that the hon. Member has raised does not strictly come within the purview of what has been asked, I will, if I may with your permission, just say that the Security Council has not discussed the Kashmir issue since September 1965. So, for all practical purposes this matter has not come up at the United Nations. As far as its continuation on the Agenda is concerned, there is no mechanism in the Charter, as far as I know, for an item to be withdrawn.

श्री राम चन्द्र विकल : उपसभापति जी मैं यह जानना चाहता हूं कि राष्ट्रपति जी जो सर्वोच्च सत्ता वहां की है उनका ब्यान होना और आए दिन सीमाओं पर आक्रमण होना और जिस तरह से यह आतंकवादियों की ट्रेनिंग यह अनेकों ऐसे सवाल है उसके बावजूद भारत सरकार की तरफ से किस रूप का विरोध प्रकट किया गया है पाकिस्तान को और चीन के साथ जो सड़कें बना रहे हैं कश्मीर की सीमा पर यह ऐसी सारी आशंकाएं हैं जो बाहर से हथियार ले रहे हैं वह सारी आशंकाएं हैं । इसके लिए भारत सरकार की तरफ से क्या क्या विरोध अब तक जाहिर किया गया है ?

श्री के० नटवर सिंह : देखिए जब पाकिस्तान के राष्ट्रपति यहां थे तब उनसे भी कहा गया, मैंने भी खुद कहा है उनके जो यहां राजदूत है उनसे कहा है और हमारे जो राजदूत इसलामाबाद में है उन्होंने वहां सब के विदेश मंत्री से यह बातें कहीं हैं और उनका ध्यान आकर्षित किया है कि जैसे यह ऐलान है जो वह कार्यवाही कर रहे हैं उससे दोस्ती तो नहीं बढ़ेगी ।

New Textile policy

*134. SHRI A. G KULKARNI: Will the Minister of TEXTILES be pleased to state:

(a) whether Government are aware of wide scale dissatisfaction over the "New Textile Policy" which has resulted in the closure of many of the textile mills in organised sector as well as large scale closures in handloom and powerloom sectors;

(b) how many new mills have fallen sick after the announcement of the New Textile Policy in 1985; and

(c) whether any in-depth study has been made about the difficulties being faced by this industry and the steps proposed to remove the same?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI RAM NIWAS MIRDHA): (a) to (c) A statement is laid on the Table of the House.
